#### BOARD OF EDUCATION

Left to right around the table: J. W. Twigg; Chas. T. Imlay; Mrs. Wilma Merrill; M. P. Cady, Chairman; Carl Bechen; John Gates Jr.

These men, representing five parts of our Union District, are responsible for the general welfare of the school. Mrs. Wilma Merrill is the Clerk of the District.

Dear Fellow Students:

The past four years have been characterized by growth—not only in enrollment but also in buildings and equipment that have helped to keep our school abreast of the times. The new shop, the new music building, and the projected additions to the main building and the athletic plant are all symbols of growth, both mental and physical.

I think it is well for us to pause and give credit to the Board of Education and to Mr. Cox, whose efforts and planning have provided a great deal for all of us. I extend our thanks to them.

We who leave this year look back with thanks; and those who remain will look forward with hope for even a better Hilhi.

# New Construction

The past year has seen the completion of a handsome new building in which the wood-working shops and the agricultural department are housed. The building that was formerly used for agriculture, was completely remodeled and redecorated, and it has been taken over by instrumental music.

The space formerly occupied by the wood-shop, has been completely remodeled and included in the new dressing-room, thus providing much needed space for our ever-increasing number of athletes.

The construction of a new wing to the main building will probably be started by the time this book is published. Hilhi is undergoing a period of vigorous growth and the Board is well aware of her needs. Hilhi students can claim buildings worthy of their pride and of their most considerate care.

# Senior Dress-Up Day

Came the great day when all Seniors wore whatever most pleased them! Cast your eyes over these samples and you will see evidences of secret ambitions. Do you notice the large number of hoboes?

Christened "the forty-niners" by the editor of the Hilhi when they were freshmen, the Juniors are still looking for gold—and still finding it!

This year good "strikes" were made in a number of fields. In forensics, members of the class, even though the season was not completed by press time, really brought home the gold from contests at Pacific University and Linfield College. The forty-niners are prominent in athletics: first string football, including a T.Y.V. all-star; first string basketball, and they expect to be among the winners in track, field and baseball. Music and art too, show the burnishing effects of their efforts.

The class takes an interested and active part in the general activities of the school, and in a mining term, they usually are able to "show color."

The Sophomores really sped up the current of activities this year.

Many Sophomore boys participated in sports, including football, basketball, and track. The class was represented on Hilhi's rifle team which won first place in the regional tournament of the national shoulder to shoulder tournament. Moreover, some of the Sophomore girls were on the girls' basketball and volleyball teams.

The class was also represented in two major speech tournaments, one at Willamette University and the other at Linfield College. Some Sophomore art productions were displayed in the Scholastic Art Exhibit in Portland. The choir and choruses were strengthened by forty-two Sophomore voices and, in addition, the band was improved by the addition of their instruments.

A class party in February provided for fellowship and for entertainment.

Entering Hilhi 226 strong, the frosh have really made a place for themselves in her halls. Sporting some of the bestlooking boys and girls, they gave promise of their worth by making up a large part of the talent program.

They entered heartily into everything, becoming active members of both the social and service clubs, and they added to the general school spirit by attending games in large numbers. They showed their cheering ability by taking the Pep trophy awarded by the cheer-leaders away from the Seniors. Many of the events planned for the school year were successes because of the co-operation given by them. Shoeshine Day, Pre-leap-year Day and Luggage Day provided them opportunities for meeting with and for earning the admiration of the upperclasses.

They have high standards to live up to in sports, forensics, music and in all fields; and they have made considerable progress this first year toward meeting those standards.

Often we hear one of them say "I can't wait until I'm a Senior!" But take it from the Seniors, "It takes something to get there," and we think you have it!

Mr. Ron Clark, in his first year at Hilhi is continuing the tradition of fine vocal music in our school. The chorus of about 80 voices was selected to sing for the Oregon Education Association convention in Portland this spring. The appearances made by these groups during the Christmas and the Easter seasons, met with enthusiastic acclaim by the audiences. The madrigal singers, a newly organized group, is doing beautiful work in full harmony.

# Forensics

The trophies shown here are for first-places won by Hilhi forensics contestants in major meets during the past four years. We suspect that no other school in the state can match this collection, which was acquired during the high school life of our present seniors.

A spirited, hard-working and intensely loyal band of 23 Spartan speakers once again this year added an imposing array of shining gold cups to the trophy case in the lower hall.

They started the contest season much earlier than usual with the Pacific University tournament in November, where they took top honors in both men's and women's debate, as well as in women's extemp. Winning debaters were Richard Hansen, Leland Johnson, Norman Goetze, Ernestine Schulenberg, Ilene Gnos and Bev Dober. Alice Furby was the top extemp speaker. Norman and Leland placed 2nd and 3rd in men's extemp. Joan Voges 2nd in oratory and Ernestine tied for 3rd in women's extemp.

Climbing in the school bus at 7:30 a. m.; waiting until the last possible moment Saturday morning for Jake Rufer who was already at Linfield because he thought he had missed the bus; putting two girls to bed in the infirmary—all were a part of the Linfield meet in February. But it was worth it, the whole squad believed, because it could truthfully be said that they swept the tournament! And this in competition with 250 students from 14 other schools. Richard and Leland were winners of the much-coveted debate trophy; Bob Bates calmly munches on a banana as he made tournament history by picking up three first-place cups, humorous reading, after-dinner speaking, and junior extemp. Alice rates 1st in varsity oratory; Paul Patterson 2nd, and Joan Voges tie for 3rd in junior oratory; Richard, 2nd in junior extemp; Leland, tie for 2nd in varsity extemp; Ilene, tie for 3rd in serious reading; and Norman and Roy Newman, Labor Relations convention officers.

At Willamette University in March the contests were fewer and the competition was keener, with 21 schools sending contestants. Hansen and Johnson finished by tying for 3rd in debate; Joan was 2nd in oratory; and Leland 2nd in extemp. Fond memories of this tournament centered around the Senator Hotel, the Spa, the state capitol and a huge blue box of chocolates. Still before the Spartan forensic squad at this writing were the district and state tournaments, to be held the last of March and the middle of April.

Ready to load for the Linfield tournament! Coach, Miss Ruecker, and team members: Jake Rufer, Alice Furby, Ilene Gnos, Joan Voges, Noelle Burton, Elaine Furby, Beverly Dober, Joy Davis, La Delle Eischen, Bob Bates, Charles Hornecker, Norman Goetze, Wilfred Potten, Richard Hansen, Mary Kramien, Roy Newman, Joyce Gnos, Chloe Winjum, Joyce Hartrampf, Ernestine Schulenberg, (Not pictured—Verna Sorenson, Ray Cables, Priscilla Mann and Paul Patterson).

# Art Gallery

Mrs. Elaine Coleman Whitley

Hilhi's division of creative arts, in the third year of its existence as a full-time department, has given us ample reasons to be proud of it.

Mrs. Elaine Coleman Whitley, art instructor, for the past two years, has stimulated great interest in starch painting, clay modeling, oil painting, charcoal sketching, furniture designing, fashion illustrating, stenciling and water coloring. A number of our productions were entered in the Scholastic Art Contest in Portland.

Our instructor was responsible for a rather extensive display of Japanese water-colors, and the public showed its pleasure by purchasing an appreciable number of prints.

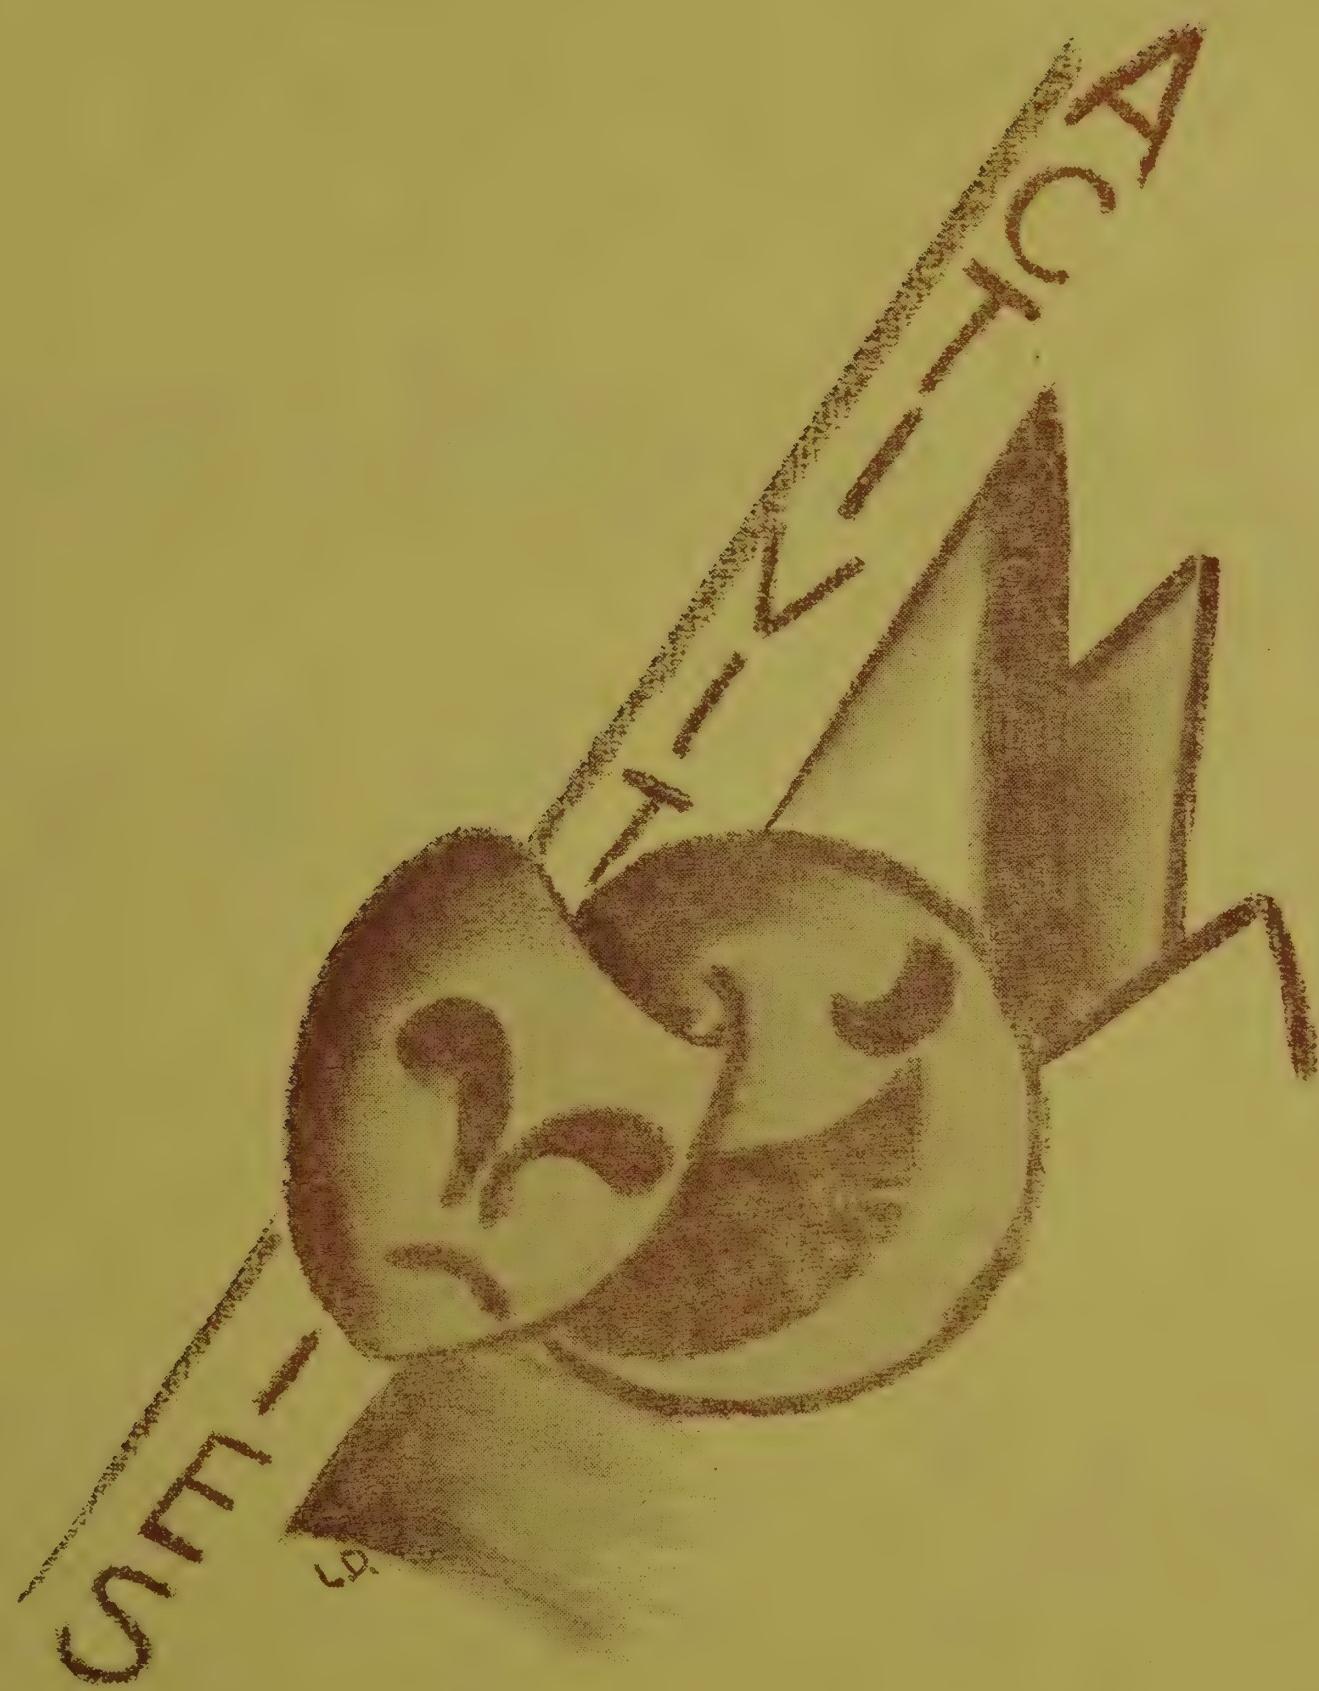

The department has been of good service in the matter of helping to design and to construct special decorations and sets for plays and music programs.

Pictures of the following students are reproduced on this page: Bob Guthrie, Joyce Hartrampf, John Hayertz, Nancy Finch, Thomas Ryan, Don Van Arnam, Leon Leinan, Ava Jean Brown, Jean Vanderzanden, Joan Voges, June Frank, Mary Lou Phillips, Jerry Baumgartner, Faye Cantrall, Leah Klausen, Doris Wilkerson, Jack Merrill, Billie Mather, Ethel Edwards, Wayne Selivanow, Virginia Engebretson, Joyce Gnos, Gladys Losli, Dick Voll, Gwen Aplin, Wallace Boleen, Ethelyn Mishler, Judy Schendel, Wren Williams, Betty Settemier.

# Science Department

Following an idea suggested in last year's Annual—that of featuring a department of the school that receives little publicity—we choose this year to devote a page to science.

Our department is divided as follows: general science, Mr. Lou Samsa Jr.; biology, Miss Tennessee Weatherred and Mr. Ellis Poullette; chemistry and physics, Mr. Warren Ewing.

The pictures show the following scenes: one in general science, two in biology, one in physics and two in chemistry.

## Many Magazines Available In Library

Some students are not acquainted with the many helpful magazines that are subscribed to by our school library. In the line of music there are two really wonderful magazines, "The Instrumentalist," and "The School Musician." These periodicals would be helpful to anyone in music. For girls who want to be up on the latest in the styles and fashions of the coming season, "Seventeen" and "Mademoiselle" are excellent sources of information and also have many stories and features that might be helpful in classroom work. Boys, and some girls too, will be glad to know that "Flying" and "Popular Mechanics" are subscribed to regularly. "Time," "Life," "Newsweek," "Current History," "National Geographic," "Popular Science Monthly," "Science News Letter" and "Science Digest"

## Classes

The teaching of literature has the new recordings of poetry which were purchased by the school and have been added to the senior English department to aid the seniors in their study of poetry.

The two albums, "Great Themes In Poetry" by Basil Rathbone and "The Appreciation of Poetry" by Norman Corwin are from a series of three albums.

One of these albums alone contains the recordings of 29 poems. Some of the well known poems are "Prospero," "Boot and Saddles," by Robert Browning; "Break, Break, Break," "Crossing the Bar," by Alfred Tennyson; "She Walks In Beauty,"

in order that the students may know what is going on at student council meetings, there will be an article in every paper, devoted to the problems confronting the student council and the things on which they have passed judgment.

The student council consists of class officers, student body officers, and a student activities committee in charge of concessions and petitions for club meetings.

During the first semester the student council sponsored the all-school mixer and the Queen's float. They chose the "Rotarian of the Month" as follows: Jerry Doyle, November; Randall Harrison, December; Leland Johnson, January. A service squad was chosen to police the cafeteria. After a vote of the male students, a boys' league constitution committee was appointed. At student disposal now are skit books in the library and art supplies in the dean's office.

At present the council is attempting to obtain a larger trophy case, planning an all-school skate, and planning to sponsor a movie to raise funds for last issue of Hilhilites.

Any suggestions or complaints can be brought directly to the student council which meets on Monday noons in Mr. Leger's room.

## Shorthand Students Pass 100-word Takes

The second year shorthand class has really been busy this year with over half of the girls having passed their 100-takes. They are the following: Mary Lou Anderson, Betty Grabel, Lucile Haase, Estella Hill, Arlene Muhly, Margaret Putnam, Jean Robinson, Ernestine Shulenberg, Betty Wambaugh, and Marilyn Wardius.

Six of these girls passed this take before Christmas, which, according to Mrs. Palmer, instructor, is the largest number she has ever had do this. To those who don't understand the term 100-take, it means that the girls must take dictation for five minutes at a 100 words a minute, which they have never seen or practiced before and without any help as to the placing of paragraphs and punctuation.

This semester the girls have been assigned to different teachers, serving as their secretaries.

## Miss Sheppard Tells Engagement

Wedding bells will ring this summer for Miss Jane Sheppard, home economics teacher, and Mr. Ted Merydith, son of C. S. Merydith of Astoria. Miss Sheppard announced her engagement at the home of her parents Mr. and Mrs. W. O.

# Hilhi Staff

Well, it's finally done!

All members of the staff have contributed much in time and effort but I should like to single out Victor Bringle for his handling of the camera for a large part of the pictures, exclusive of the Senior portraits and the clubs; that task has kept him busy since September. The cover design was done by Leon Leinan. Our thanks go also to Mrs. Whitley for her help with the art work.

High costs have necessitated a grouping of pictures that does not permit individual titles under them.

Our hope is that in years to come, these pages will help you to re-live your years at Hilhi.

# Ten Little Indians

On the evening of December 5 the curtain rose on the Junior Class' production of "Ten Little Indians."

The title refers to ten small statues and the nursery rhyme that tells how each Indian met his death.

Under the direction of Mr. Foelker the breath-taking, fast-developing drama unfolded as a mysterious voice proclaimed that every guest on the island was a murderer and would not leave the island alive. Each guest in turn relates his life story and how he committed his crime.

Phillip Lombard (Bob Bates) told of killing African natives "purely for self-preservation." Dr. Armstrong (Gordon Faber) admitted having operated on patients while he was under the influence of liquor. This statement brought a storm of protest from Miss Brent (Pat Kennelly), a spinster, who frowned upon younger people and their actions. General MacKenzie (Art Kroeger) while half crazy ordered one of his subordinates to his certain death. It was found that Anthony Marston (Dick Peterson) ran over two children with his "Super-charged sports Malloti Carlotta" automobile. Fred Narracott (Ray Cables) transported the guests to the island in his motor-boat. While on the island the guests enjoyed the services of the maid (Mary Kramien) and the butler (Chuck Hornecker). Blore (Joe Patton) added sparkle to the play with his "Davis-Davis is the name." Vera Claythorne (Pat Word) proved to be a poor marksman before she learned that Judge Wargrave (Jake Rufer) was the real villain of the play.

# Assembly Programs

Providing for the assemblies is a big job, but it has been well done by this year's efficient assembly committee. Theirs is the duty of planning the assembly: soliciting students for participation in talent programs, procuring special outside talent, and selecting pictures for the noon movies. In addition to all of this, they make the posters advertising the assemblies and movies. The members of this committee are: Jean Tonni-son, June Frank and Faye Cantrall.

Here are their picture and a few results of some assemblies:

This is a Foxy situation; Hero rescues fair lady;  
Rah-Rah-H-I-L-L-S-B-O-R-O; Hilhi's little shavers;  
Star Dusting; "Rothstrom and D' Oil;" Down Harmonica Lane;  
Rice flavored pepper.

# Latin

President, Leland Johnson; Vice-President Peter Amacher; Secretary, Ann Marie Reiling;  
Treasurer, Sally Moses; Advisor, Miss Edmiston

The Latin Club is open to students in both first and second-year Latin classes. Its purpose is to promote an appreciation of the Latin language and of the people who spoke that language.

The Latin Club banquet is always a grand occasion and the main event of this year. It is usually held in the cafeteria and the food is of the kind the early Romans ate. All Latin members look forward to the banquet, for it is an event everyone wants to attend.

For initiation, the neophytes must wear togas and laurel wreaths all day and perform certain initiation exercises. This year's new members brought the membership up to forty-six.

The club also contributes as much as possible to the general school activities.

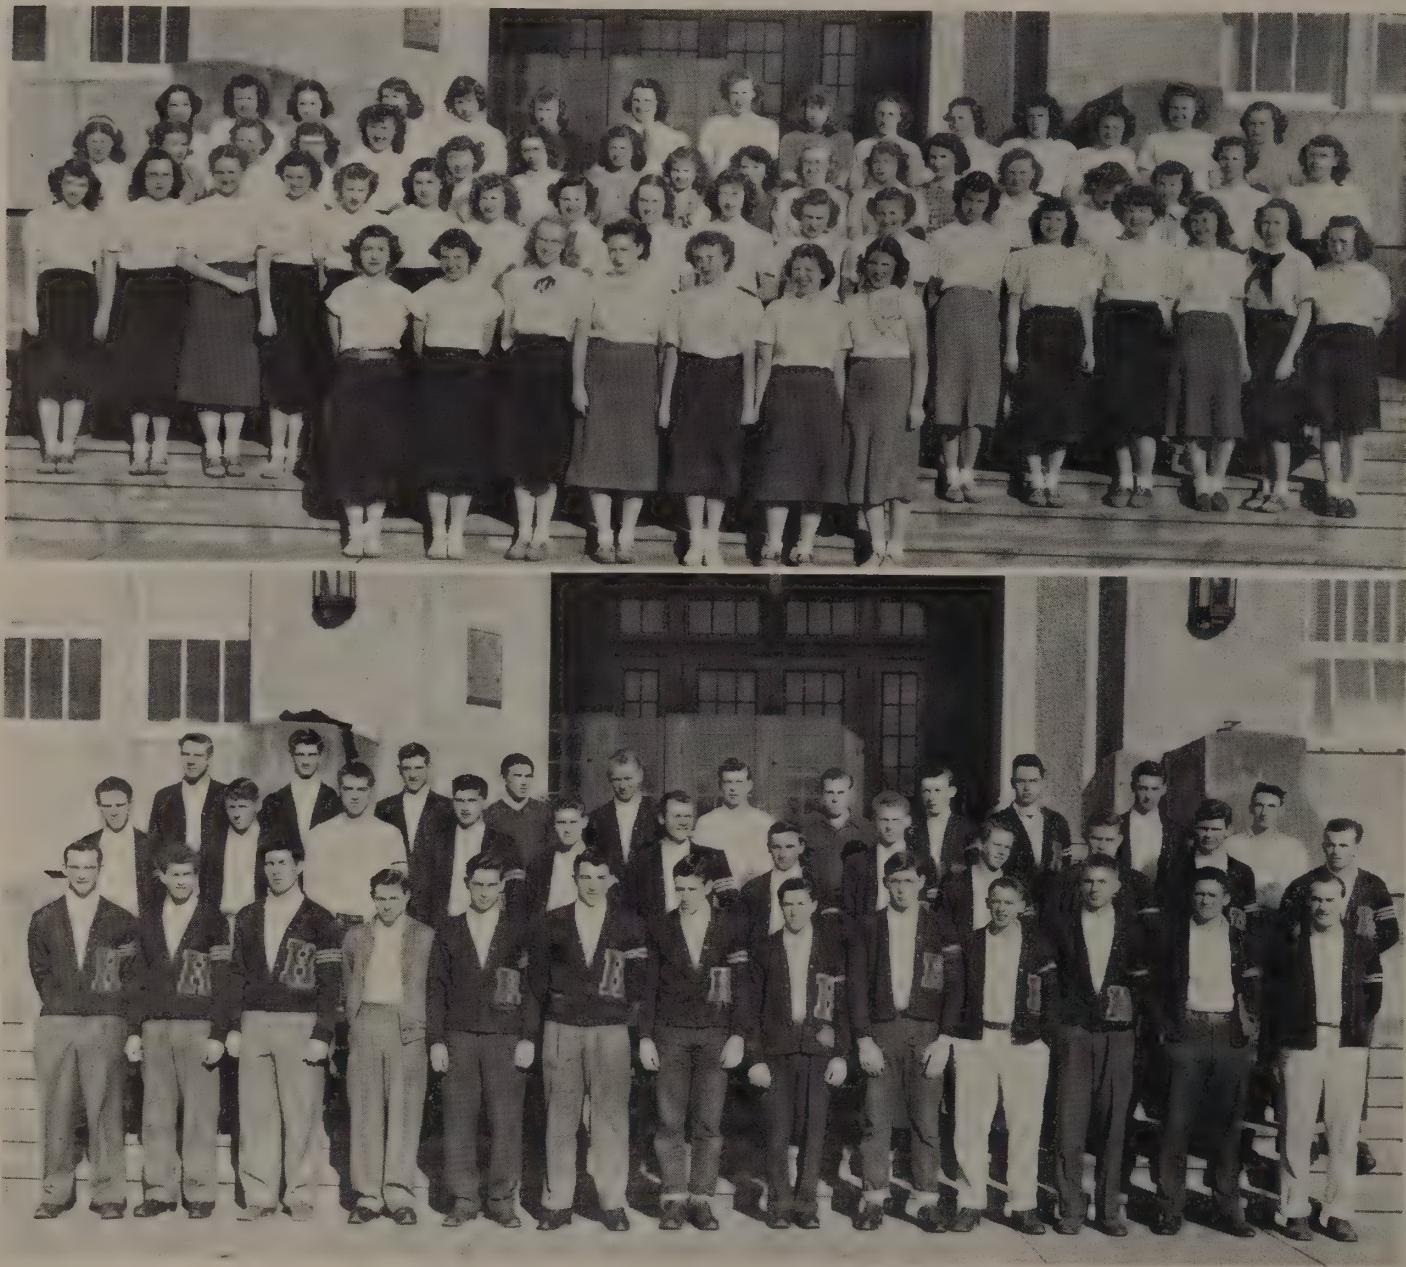

# Philo

President, Delores Benge; Vice-President, Phoebe Brown; Secretary, Pat Mulcrone; Treasurer, Ernestine Schulenburg; Advisor, Miss Woughter.

Nearly every Hilhi girl looks forward to the time when she will wear the traditional nine pigtails as she is initiated into the senior girls' Philo Club.

To promote better understanding among all senior girls and to provide social entertainment for them are the purposes of the club. The main social event was the Philo theatre party.

The club is perpetuated by the choosing and initiating of seven Junior girls who elect officers among themselves for the following year, and who provide for the initiation of next year's members.

# Blue-H

President, Garth Kohlmeyer; Vice-President, Ray Simmons; Secretary-Treasurer, Dick Waibel  
Advisor, Mr. Davis

The Blue-H is organized exclusively for boys who have earned letters in any of Hilhi's four sports: football, basketball, baseball, and track.

The purpose of the club is to inspire in these men a desire to keep before themselves at all times the ideals of good sportsmanship to which they held during competition in athletic contests.

The initiation of new members is always a great show for all the student body, and neophytes for weeks afterwards are quite reluctant to sit down.

# F. F. A.

President, Dick Moeller; Vice-President, Bob Hockersmith; Secretary, Chuck Krueger; Treasurer, Don Logan; Reporter, Norman Goetze; Advisor, Mr. Thomas.

"Learning to do; doing to learn" is the appropriate motto of this organization. At present there are 76 boys actively enrolled in the Hillsboro chapter. In addition to classwork in agriculture, each member must maintain his own supervised home project.

The boys have a total of \$24,948 invested in livestock, crops, and machinery for their individual farm-projects. The F. F. A. owns and operates a tractor, a two-bottom plow, a disk, a mower, a harrow, and a drag. This year the club has rented eight acres of land and has a crop of winter wheat on it.

The members also enter many contests and exhibit at numerous fairs throughout the year. At the county and state fairs and at the Pacific International Livestock Exposition, they have won numerous championships on their prize animals and their excellent showmanship. The livestock-judging team, composed of Dick Moeller, Don Logan, Chuck Krueger and Bob Hockersmith, entered contests at eight fairs, bringing home three first-place cups, a second, three thirds, and a seventh.

The parliamentary team, consisting of the chapter's officers, won second place in the district competition. More than 250 people including the boys, their parents and guests, attended the annual Parent and Son Banquet.

Besides their work the boys find time also to play. They gave a party for the F. H. A. girls, and they played five basketball games with the neighboring chapters.

# Pep Club

President, Ann Marie Reiling; Vice-President, Phoebe Brown; Secretary, Bernice Hansen; Treasurer, Kathryn Reule; Advisor, Miss Hildeman

Each school is known by its spirit, so this club assumed the job of helping the student body in developing the proper spirit. They were seen at all games, come rain or snow, cheering the team and stimulating the crowd. They gave much time and effort toward the making of posters.

On the social side of the register, their all-school dance always marks a high in entertainment. They make their neophytes really suffer, and they make good use of them in helping to serve the concessions for the club.

The most cherished memory of any Pepper is the spring formal dance, (complete with corsages!) at the Country Club.

Here's the Peppers' key to spirit, "Your pep, your pep, you've got it now keep it, doggone you don't lose it." Here's to them! May they ever "keep things poppin'."

# Rally

President, Jerry Doyle; Co-President, Barbara Barrows; Secretary-Treasurer, Joan Kovaly  
Advisors, Mrs. Saxl and Mr. Foelker

Organized for the purpose of arousing more school spirit among its members and the whole student body, this club has been indeed an active one. On the days before each football and basketball game they donned their beanies and dark blue sweaters to remind the students of the coming games. An especially active poster-committee hung rainbows of colors in the halls announcing the coming athletic events.

Rally was responsible for the festivities before the Jeff game. They offered a prize to the club which constructed the best float for the pre-Jeff parade. The Art Club won it, but almost every club competed and helped make the parade a huge success. Queen Bernice I (Bernice Hansen) reigned over her royal subjects in the parade, at the game, and later at the Third Annual Rally Football Banquet given in honor of the members of the football team and their guests.

Besides bettering school spirit towards athletics, they sponsored two well-managed all-school dances and presented two assembly programs.

# F. B. L. A.

President, Helen Seus; Vice-President, Gloria Beem; Secretary, Lucille Haase; Treasurer, Joyce Gnos  
Advisor, Mrs. Palmer.

This is certainly becoming a woman's world, and this is just the club to prepare her for the role. This year, however, four boys braved the feminine domination and granted the girls the pleasure of their company.

Formerly Commercial Club, but now the Future Business Leaders of America, it is affiliated with the national organization of the same name. Also new was an honor system, whereby the members may earn points toward a degree by doing commercial work and by taking part in club activities. Club-sponsored trips to a number of business establishments and to business colleges, showed the members something of the needed training.

Since a true business woman has her philanthropic interests, each member contributed an hour for Red Cross work at the local branch station. Then the girls successfully engaged in a food sale. To make the serious side of their activities complete, they sponsored a pre-leap year day "to give the gals a chance" to meet their fellows—maybe their only—you know.

All work and no play will never do, so a social calendar was planned. First off, the old members forgot their prestige and dressed up the neophytes and tormented them to their heart's content, but all was forgotten with a delicious pot-luck afterwards.

In keeping with the Christmas season the club held a party in the school cafeteria, complete with a Christmas tree and Santa Claus, with a bagful of—well, they passed for presents anyway.

In January an evening of card games was enjoyed. Looks as if the future business leaders will be able to hold their own at cards too. On St. Patrick's Day, the members showed their appreciation for their parents' backing by giving them a dinner and a rousing entertainment.

Following in tradition's footsteps they greeted spring by crowning the May Queen and honoring her with a school dance.

From this group will come some of tomorrow's business leaders, and in this club they have built a good foundation with companionship and shared work.

# Y-Teens

President, Kathy Klein; Vice-President, Flora LaRue; Secretary, Barbara Jean Thomas  
Treasurer, Donna Rhodes; Advisor, Miss Weatherred

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians" is a high goal which takes a great deal of work to reach, but which will give lasting benefits to those who attain it.

By way of serving the student body, the girls repaired the dressing-rooms before the Senior play was given, polished the trophies and sponsored a speaker who gave to the assembly her views on the suffering in Europe. Every girl in school has appreciated the comfort and help given by the maintenance of the G. R. room.

Because the club is so large, most of the service-work is done by the active committees. Sending clothes to Europe, making baby shoes, making cartoon books for hospitalized veterans, and doing extensive Red Cross work are examples of the accomplishments of Y-Teeners.

For their own entertainment, each committee had a social, perhaps a slumberless slumber party, or an ice-skating attempt. In the spring they showed their appreciation to their parents by giving their mothers a gracious tea and by treating their dads to a good banquet. The return of spring and vacation was hailed with the traditional formal dance.

Our chapter is especially proud of the honors bestowed by the Y. W. C. A. in Portland, upon our advisor, Miss Weatherred, in recognition of her twenty-five years of service.

Each member leaves school-life with the feeling that she herself has grown, as a result of her efforts to contribute something toward helping others.

# Fire Club

President, Chuck Jones; Vice-President, Dick Waibel; Secretary-Treasurer, Don Holmes  
Advisor, Mr. Foster

The student body of Hilhi places great responsibility on the forty boys that compose the Fire Club. Each member, chosen for his efficiency and dependability, is assigned a drill post at which he remains until all students are cleared from the building in case of fire.

Each year, to raise sufficient funds, the Fire Club sells pop at games and sponsors a dance. The girls always look forward to this dance and they hope to start "just a little flame" in one of the firemen's hearts.

We are sure that when the Fire boys lay away their red hats upon graduation, they will have served seriously and well in the interest of the general safety.

## S. O. S.

President, Elaine Whitmore; Vice-President, Dick Amo; Secretary-Treasurer, Ruth Christensen  
Advisor, Mr. Stalley

1947-48 was a full year for the S.O.S. (Serving Our Saviour). Activities really began about Christmas time with a party. This was filled with games and carol singing. Another party was scheduled for spring.

Special speakers and musical groups have been enjoyed throughout the year. The visit of the Harmony Troupe brought an attendance of almost 100. Other musical specials included violin and accordion duets by two Canadian girls.

Speakers were mostly ministers of the local churches, as well as students within the club's membership.

Quizzes are often enjoyed, and singing takes place in nearly every meeting. This helps to create a feeling of fellowship which is one of the purposes of the club.

There are now fifteen active members. To become a member, students need only to attend the meetings regularly.

# Hi-Y

President Terry Christensen; Vice-President, Garth Kohlmeyer; Secretary-Treasurer, Ron Reule  
Advisor, Mr. Leger

Primarily a service organization, the Hi-Y, organized more than 25 years ago, is still performing important duties. Hi-Y took an active part in the raising of money for World Youth Fund and sponsored a Shoe Shine Day the proceeds of which were given to that fund.

The local chapter will send two members to Salem in order to study Oregon's government. The annual Father and Son banquet, traditionally a real "get together" day, was hailed with the customary enthusiasm.

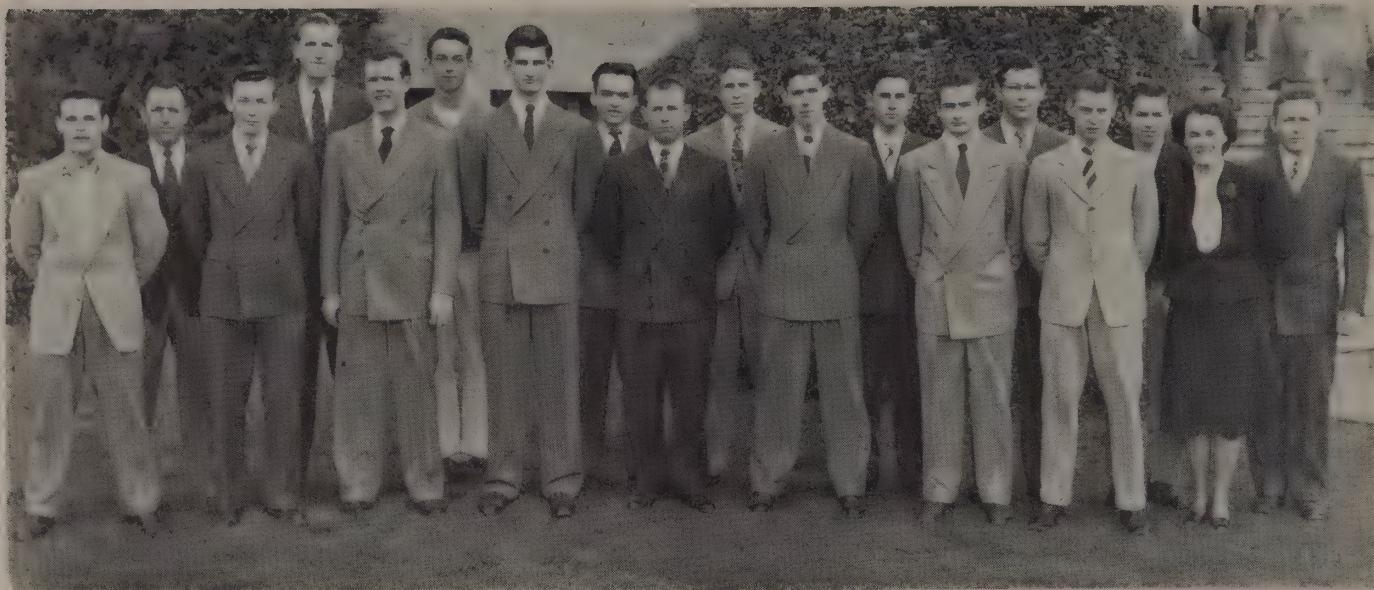

# Art

President, Bud Gill; Vice-President, La Delle Eischen; Secretary, Joan Voges; Treasurer, Bernice Hansen  
Advisor, Mrs. Elaine Whitley

Successfully completing its second year with an all-school dance, the Art Club is firmly established in Hilhi. Its purpose is to stimulate creative art work among its members. Observing the work of the members at various art exhibits, one agrees that they are truly reaching their goals. Their huge float was judged the best in the pre-Jeff parade.

Anyone interested and enrolled in art may join.

# Senate

President, Dale Sloan; Vice-President, Jerry Doyle; Secretary, Bob Bates; Treasurer, Roy Don Miller  
Advisors, Miss Weatherred and Mr. McCorkle

The Senate Club, with its colorful tradition, is our oldest club. It was originally organized as a debate club, but now its purpose is to better social relations among its members and to acquaint them with matters of public interest.

All Senators know well the four-day long neophyte initiation in which they wear everything from raincoats to tuxedoes.

Each year the Senate Club gives its traditional "big four" parties: the "Old Members' Dinner," the "Neophyte Pot-luck," the Christmas party-dance, and the exclusive "Senate Duck Dinner."

The Senate pep assembly, featuring a barber shop quartet, and the Senate dance, were among the top club entertainments of the year.

Senate meetings comprise their business discussion which includes parliamentary drill, campaign speeches and panel discussion on current topics.

Few people can realize the grief a Senator goes through if he happens to lose his most treasured possessions, his Senate "paddle and egg."

# Girls' League

President, Barbara Jean Thomas; Vice-President, Betty Wambaugh; Secretary, Barbara Johnson;  
Treasurer, Gloria Beem; Advisor, Miss Willers

In the Girls' League all Hilhi girls contribute to the happiness and the development of each other.

Moreover, every girl has the opportunity to participate in the activities. Some of these activities are decorating the cafeteria, making posters for specal [sic] days, filling a Christmas basket for the needy, conducting a tour of the school buildings for the eighth grade students, sponsoring the ballet school and securing guest speakers. For social purposes the club sponsors a Big and Little Sister Party for Senior and Freshman girls, and it gives parties and teas throughout the year.

The big event of the year was the annual Girls' League Conference of neighboring schools at Hilhi on December 13. While the conference provided a means of fellowship with girls of other schools, it also brought an opportunity to attend discussion groups and to hear speakers on the subject of vocations and how to be successful in them.

# F. H. A.

President, Ilene Gnos; Vice-President, Ernestine Schulenberg; Secretary, Priscilla Mann  
Treasurer, Gloria Beem; Advisor, Miss Yungen

Not only to build future homes expressing goodness and fairness but also to build better communities is the actuating policy of the Future Homemakers of America. Any girl who has taken one semester of home economics is eligible to join this club. There are many activities that provide for fellowship and recreation such as: spring and fall teachers' teas, the formal initiation tea, a hay ride and Hallowe'en party, a Valentine party, open house with the F. F. A., a Parents' banquet, an all-school St. Patrick's Day Dance, and a beach trip with the F. F. A. In addition, some of the service projects are; serving at banquets, a clothing drive, Red Cross work, the refinishing of the dining table, providing the school offices with vases, and serving lunch at rifle meets.

The sources of finances for these activities are the club earnings from a food sale, rifle-match and football concessions, and selling hot-cross buns at Easter Season.

Two honors were given the Hillsboro Chapter, that of being assistant-hostess at the district conference at St. Helens; and the nomination of Priscilla Mann for the State Secretary for the coming year.

# G. A. A.

President, Betty Wambaugh; Vice-President, Hilda Leopold; Secretary, Norma Freudenthal; Treasurer, Flora La Rue; Advisor, Miss Fish

The Girls' Athletic Association is an organization with the purpose of promoting interest in girls' sports. The girls have done a good job toward this end in the games they have played this year. Besides the games with other schools, they hold class tournaments in volleyball, basketball, ping-pong, badminton, and softball.

Nor does G. A. A. fall short in the social field. They customarily serve refreshments to girls on visiting teams after each game. They held an auction in the cafeteria and sold articles of clothing that had been left in the gymnasium in previous years. Bowling parties and a wiener roast were important events this year. A big spring party is scheduled.

A girl must earn ten points in a program of athletic activities before she is eligible to membership in G. A. A. These may be earned in skating, bicycling, horseback riding, hiking, or by participating in other forms of sport for a designated number of hours.

# Ski Club

President, Bob Bates; Vice-President, Burt Hendershott; Secretary, Grace Connell; Equipment Manager, Art Kroeger; Assistant, Ervin Christensen; Advisors, Mr. Leger, Miss Youngen

With an eye towards safety on those two waxed slats, the Ski Club started their year by giving free ski-lessons to the novices with the "experts" of the club acting as instructors. The beginners were taught to control themselves when descending the beautiful slopes of Mt. Hood. The effort put forth has paid off, for the club has a lower than average number of accidents.

Evidence of the interest in skiing is really shown by the large number of kids, who were willing to jump out of bed in the wee hours of the morning just to catch the bus at 5:30. The time spent on the bus was never wasted: pinochle, songs and catching up on sleep.

After a day of braving the elements and considering it a joy, they were so tired that their only enthusiasm was directed toward a hot bath and a bed.

In the pre-Jeff-game parade, the Ski Club float was a model of Mt. Hood complete with skiers.

The Ski Club has lived up to its purposes of promoting interest in skiing and teaching the fundamentals of safety on the slopes. It has given its members an opportunity to enjoy an enthralling sport.

# Rifle

Bill Manley

President, John Hayertz; Vice-President, Don Mason  
Secretary, Judy Schendel; Treasurer, Ralph Brown

The Hilhi Junior Rifle Club is fortunate in having access to one of the best ranges in the Northwest, and in having Mr. Bill Manley and Mr. Clarence Rice to direct it.

Three postal-matches were fired this year. The targets are mailed to the National Rifle Association, and the scores are compared with those of other clubs. In one match, 300 clubs were represented, with Hilhi in the top ten percent.

In the regional match, held here and including Oregon and southern Washington, the Spartan team won first place. Other important matches are yet to be fired.

# El Club Espanol

President, Alfred Martinson; Vice-President, Kenneth Harp; Secretary, Joan Benson; Treasurer, Dorothy Pence; Advisor, Miss West

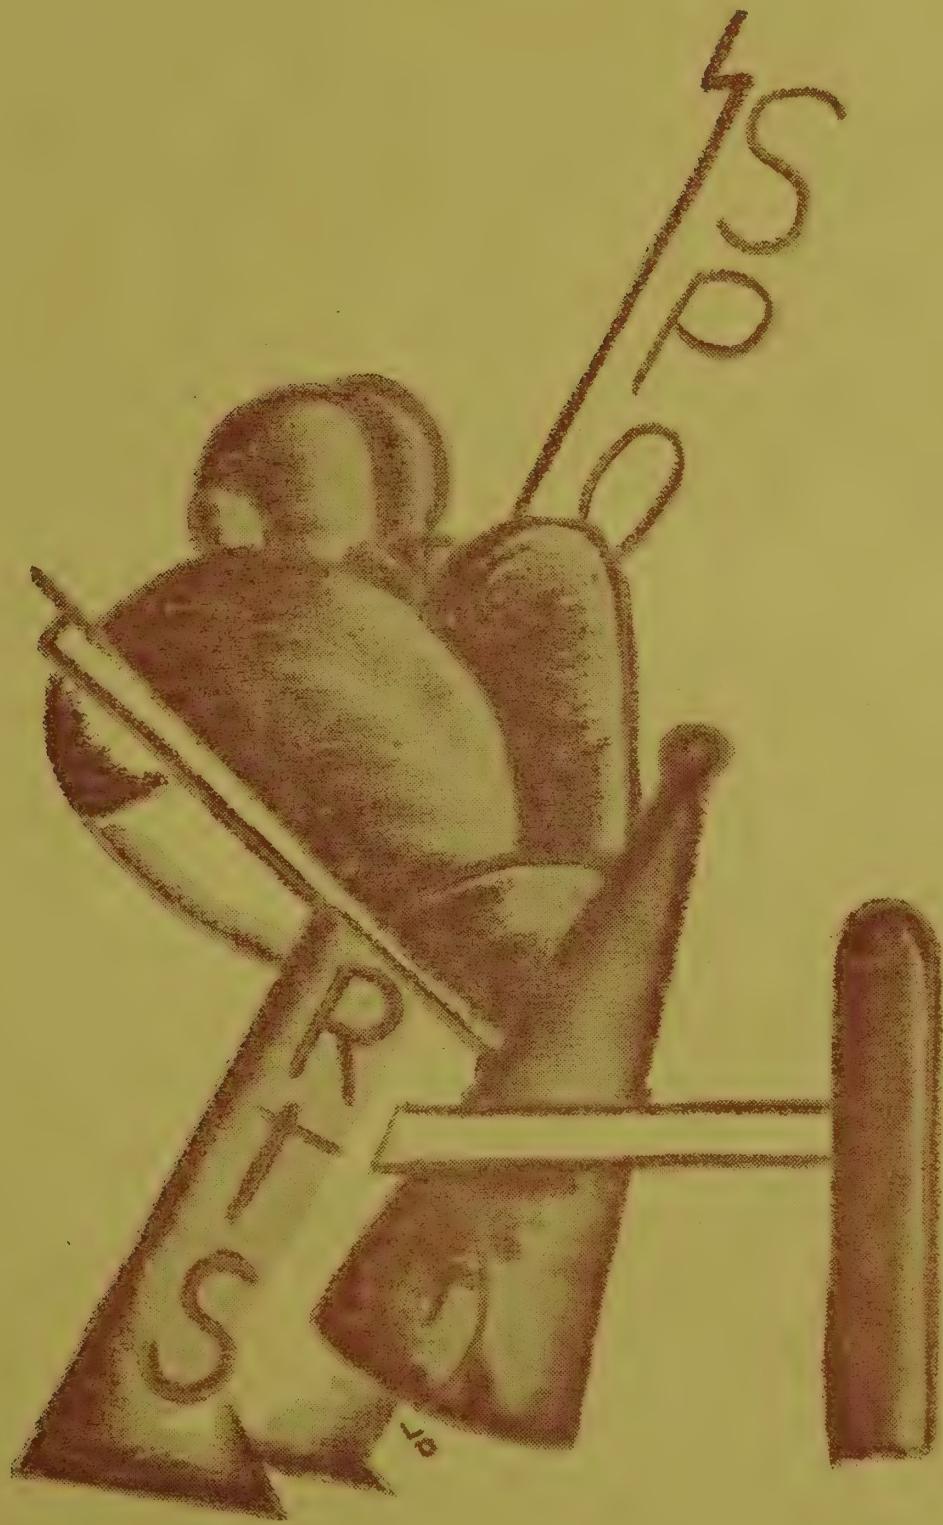

Any student taking Spanish is eligible to join El Club Espanol. To learn about the customs and life of the people in the many Spanish speaking countries all over the world, is the aim of this active organization sponsored by the Spanish department of this high school. The forty-five members take part in all general school activities, and they have their own initiation and dinner in honor of the neophytes following the "blood-letting." In the spring of each year the group sponsors an all-school dance with a definite Spanish flavor. At the end of each club-year, the club goes to Portland and enjoys a dinner with Spanish food in all courses.

The group celebrates Christmas in Mexican fashion by breaking a pinata filled with all kinds of "goodies."

Who would have supposed as he watched the managers checking out every piece of football gear available, that some of the hopeful 160 boys who met with Coach Davis and his assistants that first day, would still be playing December 6th in Multnomah Stadium? The sportswriters liked to call us the "Cinderella Team." Cinderella used magic to get ahead, but for us it was careful direction on the part of the coaches and hard work on the part of the team.

Using twelve lettermen as a nucleus around which to build, Coach Jim Davis, for the first time in the history of Hilhi, went "all out" for the T-formation and for most of the teams we played, it was a Capital T. In a pre-season game with a strong Milwaukie team, the new "T" was shown to the local fans. It was 6 to 6 until the final minutes when "something happened" and the Maroons scored twice in a hurry to win 20 to 6. After a single pre-season game, the Spartans plunged into their T. Y. V. schedule, winning first over the Mac Grizzlies 12 to 0. The following week in a sea of mud, the Newberg Tigers held the Davis-men to a 6-6 tie.

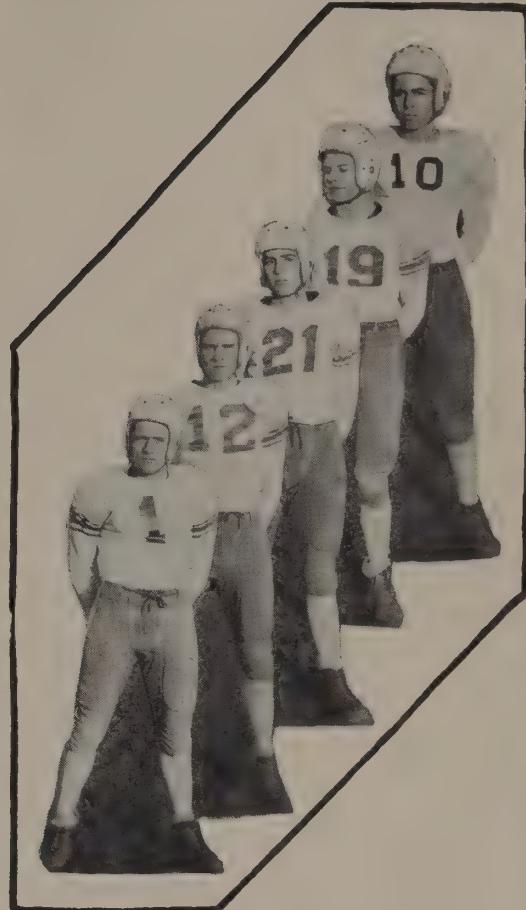

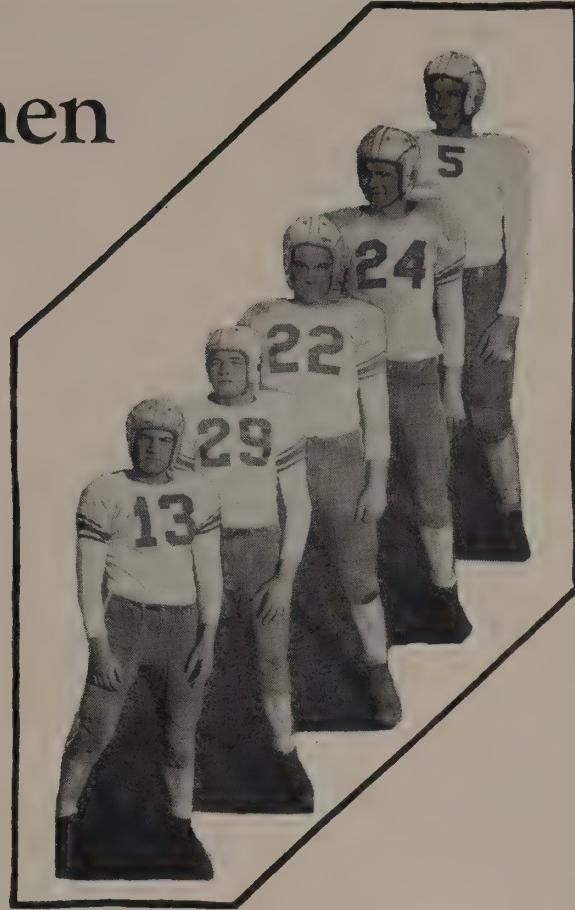

Smarting from the close shave with Newberg, the Hilhi squad, now beginning to feel complete confidence in the new formation, crushed in quick succession, all of the remaining conference opponents: Hilhi 32—Tillamook 0; Hilhi 26—West Linn 0; Hilhi 26—Tigard 0. Then for the first time in Hilhi's football record, its gridmen were awarded the T. Y. V. championship, and this honor was illuminated by the Spartans' being selected to represent District 6 in the state playoffs. (It should be said here that the Spartans regretted not having a chance to play their traditional Turkey Day game with the Forest Grove Vikings, but the state playoff schedule made necessary the cancellation of that game.)

The Spartans were especially happy to learn that their quarter-final opponents were the Milwaukie Maroons, by whom they had been beaten in that pre-season game. Although greatly out-weighed, the Blue and White showed the Maroons just what a season of polishing could do for that brand new T-formation which they had met early in September. Despite the fact that the dopesters rated Milwaukie over Hilhi, the Spartans outplayed the Maroons all evening, and first scored in the fourth quarter when Harrison carried the ball over from the one-yard line. Minutes later, climaxing a 69-yard drive, Doyle cinched the game with a second touchdown; Hilhi 12—Milwaukie 0.

Our opponent in the State semi-finals was Jefferson, Portland's top team. The game was played in Multnomah Stadium, and once again the experts said the chances were against us; but Coach Davis urged, "It's the

chance of a lifetime," and the Spartans rose to the occasion. Early in the second period the Blue and White started their payoff drive, as Doyle intercepted Frank Fair's pass on the Hilhi 26 and returned it 20 yards. In a dazzling exhibition of line thrusts and end runs, behind superb line-play, Harrison, Simmons, and Doyle alternated in carrying the ball to the Jefferson 7. At this point the Jefferson defense stiffened against our ground-plays, so Harrison faded back and passed to Chuck Jones in the end zone. Doyle kicked the extra point. For the remainder of the game the Jefferson offense was kept well in hand. The one spot in the evening's performance that brought Hilhi fans to their feet screaming with anxiety was that long run down the west side line by Jefferson's Howell Lee; and when Harrison brought him down after a chase of 62 yards, the combined sigh of relief from the Hillsboro stands was indeed something to hear. Anyway, it ended Hilhi 7, Jefferson 0.

And so we were in the finals! Only The Dalles Indians between us and the State Crown. Yeah—only! And once again the out-weighed Spartans entered the game the underdogs. The Indians received the kickoff, the Spartans forced them to punt, and taking the ball deep in our own territory we ran up three first-downs in succession. Spectators wondered aloud, "Can this light team do it again?" And then it happened! It looked as if we were in position to score and a pass play to the right flat was called. The Dalles' Larry Hughes intercepted and ran the length of the field to score. From then on the Indians really went on the war-path, and although the Spartans scored once in the fourth quarter, the smoke-signals on the hills up the river read, The Dalles 47, Hilhi 7.

The sportswriters called us "The Cinderella Team." Perhaps "Jack, the Giant Killer" might be better. Anyway, it was a grand season of determination, teamwork, and fine coaching. Not a single touchdown was scored through our line by an opponent in our T. Y. V. league schedule!

The T. Y. V. all stars included Garth Kohlmeyer, Terry Christensen, Randall Harrison, and Lester Hershey on the first team, and Jerry Doyle and Chuck Jones on the second team.

Their teammates elected Garth Kohlmeyer as team captain, Terry Christensen "Most Inspirational Player," and Ray Simmons "Most Improved Player." Seventeen Seniors appeared for the last time in Hilhi togs. They were Harry Elliott, Bob Rich, Don Holmes, Randall Harrison, Joe McCoy, Waymann Carlson, Bob Eheler, Don Parr, Garth Kohlmeyer, Wilfred Potten, Carl Camenzind, Leon Leinan, Leroy Voelker, Chuck Jones, Jerry Doyle, Ray Simmons and Terry Christensen.

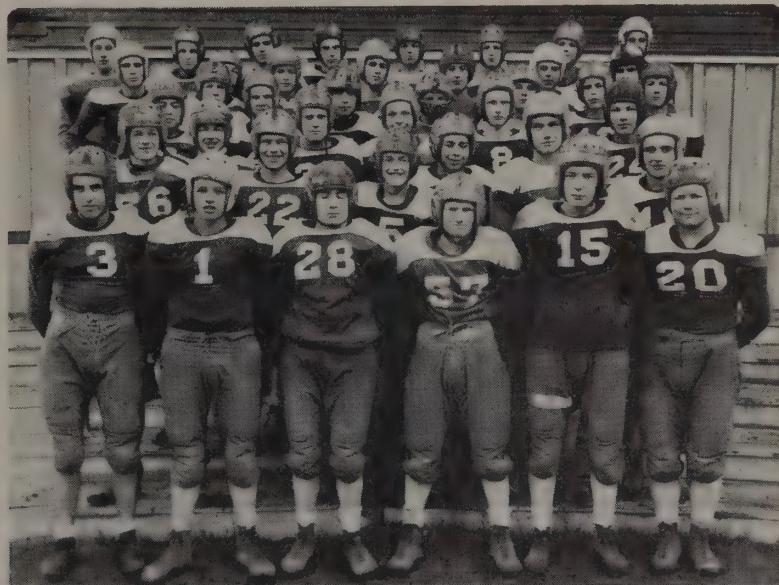

# B-Squad and Frosh Football

As their older varsity brothers had done, the Hilhi "B" gridders ended a successful season, winning all games except for one loss and one tie. Behind the coaching of Louis McCorkle and Roy Malo, the Spartan reserves in seven games rolled up 105 points to 39 for the opposition.

The strong Washington State School for the Deaf squad accounted for the B-Spartan's single defeat as they baffled our boys to a 26-0 reversal.

Scores: Hilhi 30, Oregon City "B" 0; Hilhi 48, McMinnville "B" 7; Hilhi 0, Newberg "B" 0; Hilhi 0, Washington Deaf School 26; Hilhi 6, Oregon City "B" 0; Hilhi 7, Banks varsity 0; Hilhi 14, Beaverton "B" 6.

Showing the same successful handling of the new T-formation as did the varsity and B-squad, the Spartan yearlings wound up their season with three wins, one loss, and two ties. Their single loss was by one point at the hands of the Astoria frosh.

Louis Samsa, coaching for his first time at Hilhi, did a fine job in preparing the freshmen for their later service on our varsity and B-squads.

The 1947-48 basketball season turned out to be a remarkably "even Steven" affair for Hilhi—13 wins and 13 losses (including the jamboree)! Even the total scoring was nearly identical—Hilhi 1007, opponents 1003.

Due to the long football season, the Spartan squad, containing but four lettermen started late, and in a pre-season tournament at The Dalles, lost by scores of 51 to 40 and 40 to 36 to La Grande and Nampa, Idaho, respectively. In other pre-season games we beat Sherwood and Hood River, but Portland's Jefferson revenged their football loss by trouncing the Spartan hoopsters 44 to 33 and 46 to 27. The Dalles Indians poured salt on a still smarting Spartan scalp to the tune of 40 to 21.

Hilhi entered its league season January 9 with a win over the Tillamook five, 34 to 19. The following Tuesday, we dropped a double overtime heartbreaker to the Mac-Hi Grizzlies. The Spartans had come from behind to knot the score at 48-all at the end of the regular playing time, and it was 52-all after the first overtime period. The "sudden death" rule in the second overtime, gave the game to McMinnville, 54 to 52.

The next week end found the Spartans taking the hide from the Beaverton Beavers 51 to 30, but losing their own to the West Linn Lions 51 to 42.

The Hilhi fans were given a chance to really yell as our cold-hot hoopsters took a fiery 37 to 38 contest from the Vikings of Forest Grove. The same week the unbeaten Newberg Tigers just managed to edge the Spartans in a 41 to 39 thriller. Hot-cold is right! The next one was Hilhi 46, Tigard 42. Then we bowed to West Linn the second time by a score of 63 to 42; and followed this by winning over the Cheesemakers again 44 to 27. Then it was our turn to be hot, and we dropped the Mac-men 38 to 34; and then managed to ease out Beaverton 36 to 32.

The Norsemen from Vikingland then invaded Sparta and the gym was packed full of an enthusiastic crowd that expected to see the usual red-hot "closey," and close it really was! At the end of the regular playing time it was 42-all. In the overtime period, the Vikings scored first, but the Spartans came back with a "swisher" and a "setup" in quick succession, and with seconds to go canned the final score, Hilhi 46, Forest Grove 44. The Newberg Tigers were next and they were really clawing, Newberg 50, Hilhi 20. The Fox-men ended the league season on February 20 by losing to Tigard 47 to 45, and lost undisputed possession of third place in the league by tying for that place with McMinnville.

Once again Hilhi was host to the five teams in the District 9 tournament, and the Spartans were defending the championship which they had held for three successive years. The Blue and White out-scored the scrappy Sherwood Bulldogs 46 to 42, only to lose the district crown to a red-hot Tigard team 41 to 36.

Bob Frantz and Lester Hershey were selected for T. Y. V. second-team all-stars, and Randall Harrison rated honorable mention.

Lettermen for the season are the following: Jerry Doyle, Al Humburg, Don Hubbard, Randall Harrison, Bud Morrison, all seniors; Lester Hershey and Willie Henning, juniors; and Ade Rutschman, Bob Frantz and Wilbur Pearson, sophomores.

# B-Squad and Freshman Basketball

# Track and Field

Coach Davis looks forward to this season with his usual enthusiasm. We regret that this book must go to press too soon to include a story of the meets.

Top right—Lettermen from 1947: Jones, pole vault; Simmons, broad jump and sprints; Doyle, hurdles and sprints; Harrison, hurdles and sprints; Hershey, high jump; Drennan, sprints; Mitchell, 440 and high jump; Carlson, mile; Kaufmann, mile; Kennedy, 880; Hubbard, high jump.

Middle right—Hershey goes over into a big pile of sawdust!

Lower right—The sprinters.

Middle left—Doyle (last year second in State high and low) getting his stride.

Lower left—Some distance men.

# Baseball

Coach Fox has the boys warming up for that first game, just as we go to press. The middle picture shows lettermen from 1947. They are, left to right: Dick Waibel, pitcher; Ron Thompson, manager; Ron Reule, outfield; Bill Martin, second base; Jim Nierman, pitcher; Roger Madsen, pitcher; Bob Frantz, shortstop; Peter Klein, catcher; Lee Alvord, pitcher; Ken Harp, outfield; Al Humburg, outfield; Adolf Rutschman, third base; Neal McInnis, catcher.

The top picture shows Ken Harp about to "park" an easy one; the lower left shows Martin and Reule; and the lower right shows us a close-up of probable batteries.

# Girls' Sports

Letterwomen—Row One: Evelyn Turner, Beth Gernhart, Hilda Leopold, Betty Wambaugh, Flora La Rue.

Row Two: Norma Muhly, Ethel Dilley, Helen Ross, Estella Hill, Verna Selfridge, Jean Robison.

Under the direction of Miss Alice Fish, our ever-popular "maker of champions," the girls have enjoyed a particularly good year.

Volleyball, the first contest-sport of the year, saw our Seniors win two from Forest Grove, and the Freshmen drop two. Participating in volleyball were: Eleanor Lazuck, Dolly Jensen, Kitty Lamb, Joan Schulenberg, Dorothy Koehnke, Colleen Bart, Agnes Huff, Margie Meier, Bernice Hering, Betty Wambaugh, Evelyn Turner, Marjorie Forsyth, Norma Freudenthal, Flora La Rue, Ethel Dilley, Florine Broscher, Frances Brown, Joyce Whitish, Leonore Horning, Lavina Wis-carsen, and Eleanor Horning.

Our basketball team played nine games with other schools, and won all of them. Four years in a row without a single loss is a real record! The games were played with Forest Grove, Beaverton, Newberg, Lincoln of Portland and McMinnville. This mighty basketball squad includes the following: Captain Betty Wambaugh, Leonore Horning, Dorothy Pence, Ruth Scholz, Gwen Aplin, Evelyn Turner, Frances Wilcox, Ethel Dilley, Irene Heine, Flora La Rue, Norma Freudenthal, Marjorie Forsyth, Marjorie Hanson, Frances Brown, Bernice Hering, Norma Muhly, Esther Losli and Florine Broscher. The managers were Eleanor Horning and Hilda Leopold.

A class tournament in basketball followed the regular season and the Junior-Senior team won the championship.

The tennis teams will see action against McMinnville, Beaverton, Forest Grove and Tigard. Betty Wambaugh and Marjorie Forsyth will probably represent Hilhi in these matches.

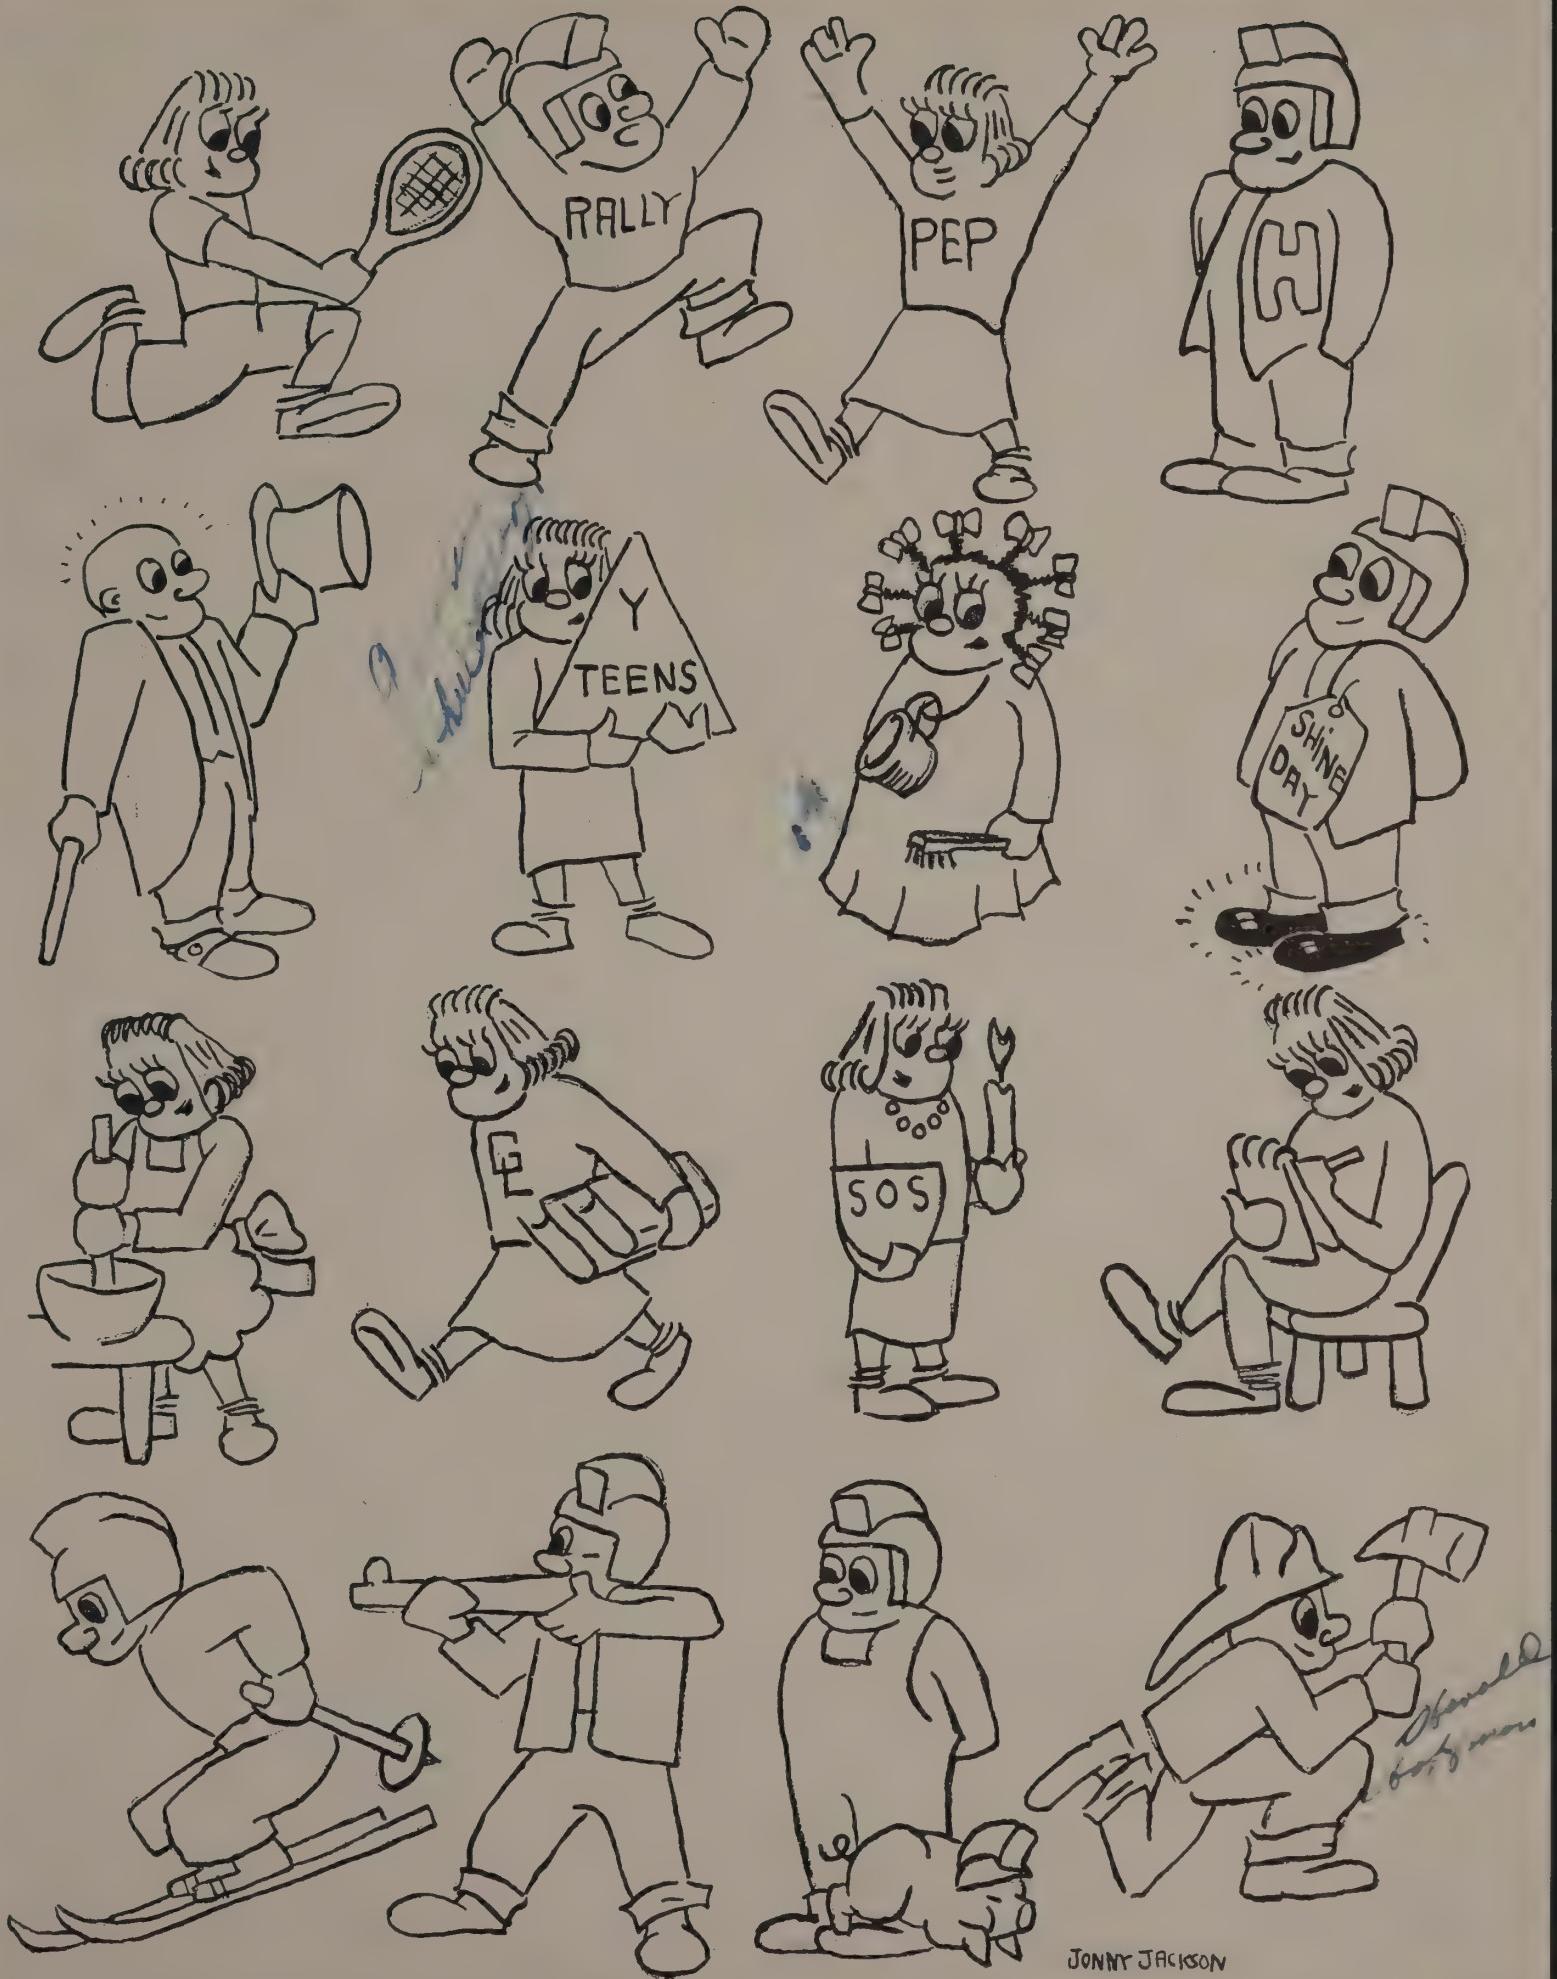

# Senior Annals

On that grand and glorious day of September 11, 1944, the class that was destined to break records entered the turbulent halls of Hilhi.

The first record we broke was that of enrollment, our 244 being the largest freshman class ever to enter Hilhi! After a few weeks of getting acquainted with the traditions and activities of the school, we elected our leaders: Dale Sloan, president; Harry Elliott, vice-president; Phyllis Zenger, secretary-treasurer; and Ilene Gnos, student council representative. Under the capable guidance of Mrs. Russell and Mr. Egbert, our advisors, we made our Freshman year a tremendous success.

During our Sophomore year we still comprised a high percentage of the student body. This year many clubs felt the impetus of our efforts to make Hilhi a better place. In the field of sports—football, basketball, baseball, and track—many of our boys eagerly and enthusiastically participated. In the state track meet Jerry Doyle took third place in the low hurdles and fourth place in the high hurdles. Dick Waibel was one of the pitching staff of the baseball team. Many of our class were also outstanding in other fields. In the Willamette Valley sectional farm-hop and public speaking contest, Norman Goetze won first in farm accounting and John Hayertz won first in blacksmithing. Ilene Gnos was elected district chairman in the national F. H. A. which represented five counties. John Hayertz, Bernice Hansen, Bob Kaufmann and Mervel Schlesser were among the ten most outstanding riflemen in the Junior Rifle Club. Our Sophomore officers were: Ray Simmons, Harry McGinn, Beverly Dober, Dale Sloan; and the advisors were Miss Weatherred and Mr. Bogue.

Our Junior year began with Miss Ruecker and Mr. McCorkle as advisors. Our revered officers were Don Holmes, Terry Christensen, Bernice Hansen, and Barbara Johnson. The record breaking activities in which we participated as Juniors were: football, with 13 of the 26 lettermen being Juniors; basketball, with 5 out of 11 lettermen; track, with Jerry Doyle taking second place in the state in both high and low hurdles; and 12 out of 22 from our class comprising the track and field team; and baseball with 3 Juniors on the starting team. In forensics Noelle Burton added a gold cup to Hilhi's trophy case, for a first in panel discussion, women's division at Linfield. Alice Furby was winning orator in the Knights of Pythias contest. Norman Goetze and Alice Furby were delegates to the high-school section of P. N. C. C. In other fields Ilene Gnos was again elected District Chairman of F. H. A.; Charles (Chuck) Krueger was named a State Farmer; Norman Goetze and Chuck Krueger were members of the state F. F. A. parliamentary team; Don Logan, Chuck Krueger, Bob Hockersmith, and Dick Moeller were members of the livestock judging team that won many honors throughout the year, and John Hayertz won first place in his class in the state rifle meet.

The well-acted, well-cast, and well-received Junior class play, "Janie," broke all attendance records. The colorful Junior-Senior prom successfully topped our social year.

After three years full of enjoyment and learning we came to the top rung of the Hilhi Ladder. With Miss Cimino and Mr. Stalley as the traditional and loved Senior advisors, what could our year be but a success! This year Hilhi's football team, comprised largely of Seniors, took second place in the state. Feeling that we have contributed some part to the success of Hilhi, we bid—farewell!!
